

SUTD students presenting design ideas to renowned Pritzker Prize Laureates Jacques Herzog and Pierre de Meuron at their office in Basel, Switzerland.

Bridging sustainability, culture and technology, SUTD students explored bamboo structures in this Option Studio field trip to Vietnam.

Singapore Pavilion at the prestigious Venice Biennale 2018 developed and assembled by SUTD students.

Gradshow at URA designed by B.Sc. (ASD) Class of 2018.
