

Outstanding students may be awarded attractive, bond-free scholarships, either by SUTD or supported by donors. On top of the financial benefits, these scholarships also provide opportunities to develop your leadership skills as a University Ambassador.

All scholarships are merit-based, though some donor scholarships may give special consideration to those with financial needs.

SCHOLARSHIP	VALUE AND BENEFITS
SUTD Technology Entrepreneurship Programme (STEP) Scholarship/Award[^] (For Students Admitted To STEP Only)	<ul style="list-style-type: none"> Covers subsidised tuition fees for the normal duration for the bachelor degree and master degree courses at SUTD (up to 10 academic terms) Full study-related expenses incurred during the one year's immersion in an overseas entrepreneurship programme in the world's most entrepreneurial regions – USA (such as San Francisco Bay Area) and China (such as Hangzhou and Xi'an)

* Overseas summer programme of at least 8 weeks.

[^] Outstanding donor-sponsored scholarship recipients may concurrently receive an SUTD Award. The corresponding SUTD Awards will not include the subsidised tuition fees as a benefit as this will already be covered by the sponsored scholarships.

EXTERNALLY SPONSORED SCHOLARSHIPS

Apart from the SUTD scholarships, you may also consider applying for externally sponsored scholarships to finance your studies at SUTD. These scholarships are not exclusive to SUTD students, and you have to apply for them in competition with students from other universities.
