

**She said yes.
And life has never been as enriching.**

“I chose SUTD because I desire to be a designer of better systems that will improve lives in this challenging world. Most importantly, the university’s multi-disciplinary focus allows me to learn the skills to translate theoretical knowledge into practical solutions!”

Poh Wen Ya
SUTD Scholar

**Make SUTD your choice now.
2013 intake matriculates in May.**

A BETTER WORLD BY DESIGN.

SINGAPORE UNIVERSITY OF
TECHNOLOGY AND DESIGN
