THANKS TO MARTHA, THE LOST CAN BE FOUND.

Signal flare. Developed by Martha Coston, 1859.

Just like Martha Coston, who developed the signal flare, thousands of women have played a vital role in improving our lives by harnessing the power of technology and design. To enjoy a revolutionary education for an exciting career and to build a better world, visit www.sutd.edu.sg

New scholarship programmes available.
Apply for admissions now. Application closes on 1 April 2013.

Scan this QR code to see how technology and design has improved our lives.
