THE DIVE JOURNEY

The newly launched Design•AI Innovation & Venture Exploration (DIVE) platform will transform the way innovation is done.

24/7 "Maker/Breaker" living-learning community fostering curiosity & belonging.

DIVE Residential College

EXPLORE: Freshmore Years (Terms 1–3)

Baby Shark Fund (BSF)

Seed funding for early-stage prototypes & risk-taking from curiosity to concept.

EXPERIMENT: Pillar Years (Term 4-5)

Global Innovation Internships (GII)

Up to 12 months of immersion in an international innovation ecosystem, shifting focus to active building.

EXPOSE: Pillar Years (Term 6)

Design-2-Venture (D2V) Grant

Turning prototype into product through commercialisation grant and support.

ENTERPRISE: Capstone (Term 7-8)

Transform validated ideas into impactful startups.

Supported through incubation resources e.g. DIVE Mentor Network

ENTERPRISE: Alumni

Funding and Support Pathway

Stage 1: Baby Shark Fund

Seed Funding, Risk-Taking, First Bold Step

Stage 2: Design-2-Venture (D2V) Grant

Larger Grants, Venture-Building Guidance, Validated Ideas

CURIOSITY & OPEN-MINDEDNESS
(Master problem solver, community-impactful leader)

DIVE Graduates

RISK-TAKING & RESILIENCE
(Trial-and-error, entrepreneurship preparation)

COLLABORATION & ETHICAL LEADERSHIP
(Design for venture, ethics, purpose and integrity)
